

Doro Magna 4000

Extremely loud corded phone

Doro Magna 4000 is the elegant choice for anyone with moderate to severe hearing loss. One push of the boost button instantly raises the handset volume to +60dB, and adjustable tone control ensures clear sound quality suited to your individual needs. The ringer is also very loud and combined with a flashing ringer. This good-looking phone is very easy to use thanks to large keys, direct memories and a display for using Caller ID, phonebook and other useful functions. Plus hands free speakerphone.

- ✔ Up to +60dB handset volume
- ✔ Adjustable tone to suit individual hearing needs
- ✔ Display for showing names and numbers
